1. Agents of the Yugoslav Government are frequently infiltrated into Rumania as refugees. Some Cominform sympathizers likewise accept service as agents in order to escape into Rumania by this route.
2. Rumanians living in Yugoslavia are often compelled to act as Yugoslav agents and are forced over the frontier into Rumania with propaganda. In some cases these unwilling agents have dropped their propaganda material on Rumanian soil and hastened back into Yugoslavia. On several occasions knapsacks of pro-Yugoslav propaganda have been found discarded on the Rumanian side of the frontier.
